

Memorandum

Date: May 17, 2016

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

Agenda Item No. 8(N)(8)

From: Carlos A. Gimenez
Mayor

Subject: Recommendation for Approval of the Use of up to \$3,748,977.11 in Charter
County Transportation Surtax Funds for Push-Button Contracts

Recommendation

It is recommended that the Board of County Commissioners approve the use of Charter County Transportation Surtax (Surtax) Funds for Push-Button Contracts, which have previously been awarded under the Miscellaneous Construction Contracts (MCC) 7360 Plan, for roadway resurfacing projects. These contracts are currently approved for the use of non-Surtax funding sources via the MCC Program, with this item seeking approval of Surtax funding for those roadway improvement projects included within the People's Transportation Plan (PTP). The contracts are described below and in more detail in the accompanying attachments:

- (1) Contract No. 1 – *Push Button Contract for Roadway Resurfacing* (RPQ No. 20150156, MCC 7360 Plan) in the amount of \$1,888,299.09 to H & R Paving, Inc.
- (2) Contract No. 2 – *Push-Button Contract for Roadway Resurfacing* (RPQ No. 20150157, MCC 7360 Plan) in the amount of \$1,860,678.02 to H & R Paving, Inc.

Scope

These contracts have been previously awarded under the MCC Program, with a scope of work consisting of roadway resurfacing.

Fiscal Impact/Funding Source

The fiscal impact to the Surtax shall not exceed the contract award amount for each contract. There is no fiscal impact to operations or maintenance.

Delegation of Authority

No additional authority is being requested within the body of this contract.

Track Record/Monitor

The person responsible for all PTP projects in the Department of Transportation and Public Works (DTPW) is Mr. Alejandro Martinez-Esteve, RA, LEED AP, Manager of the Capital Improvements Section. Following completion of the award process, the project will be assigned to Mr. Joaquin Rabassa, P.E., Project Coordinator within the DTPW, for the day-to-day responsibilities.

Background

Push-Button contracts provide DTPW a means of quickly responding to critical construction and repair needs via a competitively bid contract. The work on these contracts is initiated via work order on an as-needed basis to address these needs. Within the contract, an

estimated quantity is provided for bidding purposes and plan details are not available at the time of the bid.

Bidders are advised that actual quantities may vary, depending on the scope of work identified in each work order. Payment is based on the authorized work completed by the contractor.

These Contracts were procured through the MCC Program, as noted in Exhibits A and B, with Road Impact Fee (RIF) funding identified. DTPW forwarded a Request for Price Quotation by way of facsimile transmission to a pool of firms that had registered with the Internal Services Department (ISD) for each respective trade. Additionally, DTPW advertised each project in the *Daily Business Review* and all solicitations were available online through the County portal under the "Procurement Solicitations" link. Each project's award evaluation was based upon the bid submitted by the lowest responsive and responsible bidder, and due diligence was conducted in accordance with ISD's Procurement Guidelines to determine Contractor responsibility, including verifying corporate status with the Florida Department of State's Division of Corporations and review of performance or compliance issues. A copy of all bids and the bid tabulation for all projects is available by contacting the manager of Capital Improvements Section of the DTPW.

Adoption of this resolution would authorize the use of Surtax funds for those roadway improvement projects included within the PTP. Consistent with Florida Statue 212.055, and Sections 29-124 and 2-1421 of the County Code, Surtax funds will be used for projects included in the Five Year PTP Implementation Plan.
